## NEWS FROM THE HEAD:

Hello,

The children have kicked off this week's theme of Road Safety by creating their own fun scarecrows to put up in the village.

Caterpillar Class want you to go as slow as a Caterpillar when driving. Grasshoppers want you to find 'Where's Wally', whilst driving slowly through the village. Dragonflies want you to think about the only place to 'zoom' to, is to outer space and not through our village.

It has been lovely to hear the children singing again, albeit at a slightly lower volume than normal. We are busy creating something exciting to share with you this Christmas in place of our usual much loved Christmas performances.

Next week, the teachers will be discussing your child's progress and attainment through the new virtual method of meeting, via teams. You should by now have received an time slot with the video links to follow shortly. If you haven't please contact the office on Monday.

Let us hope for a dry weekend so that we can get out and enjoy the outdoors and fresh air during lockdown! Have a good weekend.

Deborah.

## LITTLE OAKS NEWS

The children have enjoyed exploring texture and colour through painting and sensory play this week. They used brushes, sponges and rollers to create fantastic paintings and have explored colour mixing too. Their sensory experiences continued with cornflour and water play and lots of fun with a big pile of leaves in the garden. Our children enjoyed making 'leaf angels' as well as learning about the signs and colours of autumn.

Hope you have a good weekend!

Sharon
