Dear Parents and Carers

Wrap around care at Northchapel Primary School

I am writing to you to advise of some changes taking place with the wraparound care provided at Northchapel School after half term. For various reasons, the leaders and governors have taken the decision to source the care from an outside provider. After much consideration we are pleased to announce that Assure Coaching will be the providers for our breakfast club and after school care. We feel that the changes will benefit our working families greatly with new pricing, late booking times and extended hours. We wanted to ensure that this will not bear extra costs to you and we would like to assure your that it will still provide the warm and friendly service that we have provided up until now.

After half term they will be located in the classroom occupied by Little Oaks until the renovations have been completed. This will be the location for drop off and pick up. Breakfast can still be provided in the mornings and a snack and drink will be provided after school.

This will mean that Northchapel School will no longer be the point of contact for any bookings, payments or concerns. You can only deal with Assure Coaching directly. However, should you ever have any concerns about the provision please do get in touch.

We hope that the new working relationship to provide the warm and personal care for your child is continued and we welcome Assure to our community. An email will come separately via the office with their booking details.

Yours sincerely

Deborah Coggin
Headteacher
