Dear Deborah,

Thank you for inviting me to see your lovely school today. It was good to meet you and Lynda who is clearly a valued governor. Thank you for taking the time to show me around and telling me more about the successes and challenges of running a small rural school and pre-school.

It was a pleasure to speak to the whole school in a special assembly. The children asked some excellent questions and showed great enthusiasm. I thoroughly enjoyed my time with them.

I hope that you will be able to complete your outdoor play area so that it can become fully useable space once again. As discussed, I am very happy to help where I can.

Thank you for all that you do in running a happy and valued community school.

Kind regards
