

Year 1 Homework Grid 2025-26

Topic: Dressing Up

For this half term's topic we will be learning about holidays. The expectation is that there are weekly 'Must Do' tasks and then 'Additional Topic Tasks' which we would like the children to choose from. Homework can be brought in to share on a **Monday** morning.

Tasks I **must** do every week:

Reading	Spellings	Maths
<p>Reat to an adult, or have them read to you for a minimum of <u>10 minutes four times per week</u>.</p> <p>Please bring your reading record and reading books to school every day. We recommend you read each phonics decoder book 3 times:</p> <ol style="list-style-type: none"> To decode the text To become familiar with the text For fluent reading and understanding the text. <p>Books will be changed on Mondays and Thursdays.</p> <p>For more reading support/ practice: https://www.teachyourmonster.org/account/users/sign_in https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/</p>	<p>You will be given spellings to take home and learn each week on a Friday. Testing will occur the following Friday.</p> <p>You could learn your spellings by:</p> <ul style="list-style-type: none"> - Writing sentences with your spelling words in - Rainbow writing - Pyramid writing (starting with one letter on the first line, then adding another letter to each line) - Chalks outside - In flour, rice or glitter on a tray or plate - Using magnetic letters or grapheme cards to build the word 	<p>Please practise counting in 2s, 5s and 10s. <i>This could be through jumping, marching, throwing or anything else.</i> Remember you can access TTRockstars on: https://trockstars.com/</p> <p>Please practice your number bonds to 10 (for example 3+7, 4+6 etc) then bonds to 20.</p> <p>You could:</p> <ul style="list-style-type: none"> - Use 10 small objects, such as pebbles, acorns or food and split them into two groups. - Practice writing number sentences (2+8=10) - Can you see patterns? - Play number bonds pairs or snap, finding the matching pairs of numbers which equal 10. <p>Practice writing your numbers to 20, with numerals the correct way around.</p>

Additional Topic Tasks I **should** do (approximately 1 per fortnight/ 3 per half term)

Carry out a survey of birds visiting your garden or a nature space, record it on a bar chart or table.	Go on a nature hunt and search for signs of spring.
Create a mystery box with words and items linked to a job for friends to try and guess.	Find and bring in one of your favourite poems to share with the class. You could film yourself performing it and put it on Tapestry too!
Create a poster about one classification of animals (mammals, birds, reptiles, fish, amphibians.) What do all animals in that class have in common. How many can you name?	Research how Easter is celebrated around the world and present your findings in a way you want. For example a fact file, a video, a poster, a mind map.
